REFUGEE FAMILY — The Gerrit Hoevers family, refugees from Indonesia, have arrived in Lemon Grove under the sponsorship of St. Philip's Episcopal Church. The Rev. Phillip Bartlett said that he and members of the congregation are trying to find a job for Hoevers, who is an electrical maintenance worker. In the photo from left are Joyce, 4; Mrs. Hoevers; Jeannette, who will be 9 on Sept. 30; Willem, 7; and Mr. Hoevers. The family left Indonesia after a Communist invasion to go to Holland and from there came to Lemon Grove. They live at 7931 Palm Ave.

Supervisors Say New Street Plan May Win Approval

'All of Broadway' May be Re-Paved In One Project

SAN DIEGO (CNS)—County approval of an agreement to end a long-standing controversy in Lemon Grove over plans for the improvement of Broadway was indicated Tuesday by the County Board of Supervisors.

After hearing a number of local residents on their opposition to the county's plans for an island in part of Broadway, Supervisor Divid W. Bird, who is the board member for the Lemon Grove area, made the motion that the county road department find out the costs for doing what local residents favored.

The plan presented Tuesday calls for a 62-foot right of way on Broadway from College Avenue to Kempf Street. It calls for four lanes of traffic, to be divided only by two painted lines. Parking is to be off the street.

Jackson Ammons was the instigator of the Tuesday hearing, representing landowners in the Broadway area. He explained the petition opposing the proposed islands separating the lanes of traffic.

Kenneth Conrad, a property owner on Broadway, said 80 percent of the property owners between College avenue and Olive were in favor of the 62-foot right of way plan.

Bill Parker, president of the Lemon Grove Chamber of Commerce, said there was agreement over improvement of Broadway for the first time. He told of a meeting called last Friday by the chamber, at which property owners showed their support for the 62-foot street.

The fear of losing business to the College Grove Shopping center was pointed up by Parker.

Mt. Miguel Sophomore Wins State Women's Diving Championship

A polite, poised 15-year-old Mt. Miguel High School sophomore this week won the California women's open diving championship.

Jerry Watmore of 2509 Central Ave., Spring Valley, bested 19 contestants to win the three-meter state championship with a series of 11 "perfect" dives from the high board.

Ironically, she "fluffed" one dive in the 15-16 year junior class and came in second.

Ray Yeakle, athletic director of El Nadadero Club in El Cajon and Miss Watmore's diving coach, said tht the state championship "is good seasoning for the nationals. With any lucky breaks we will be in contention for the national diving championship this winter."

Miss Watmore placed 13th on the low board and 12th on the high board at a national meet in July.

In 1956 at the age of 12 she won the senior women's championship in San Diego County, both on the high board and the low board, and recaptured the championship in 1957 and 1958. In 1957 she also won the Southwest AAU Junior Olympics title.

Students at Mt. Miguel High School will see a lot of the new state champion this year. She last Spring was elected junior varsity cheer leader after serving as freshman class vice president for the 1958-59 year.

Rated as a "good B student" at Mt. Miguel, she is said to have "one of the sunniest dispositions" in the school.

Born Nov. 8, 1943, at Mercy Hospital, Miss Watmore attended Spring Valley Elementary School and Spring Valley Junior High School before entering Mt. Miguel High.

Hoodlum Gang Attacks Local Youths at Beach

Two State College students, one from Spring Valley and one from Lemon Grove, and two companions were attacked and beaten on a La Jolla beach this week by a gang of 10 other youths.

San Diego police said the attack apparently was unprovoked.

The four youths were among 10 members of the Pi Kappa Alpha fraternity on a stag party south of Windansea Beach.

Half a dozen suspects, rounded up later by police, were questioned in the attack.

Two of the four victims were treated at Scripps Memorial Hospital in La Jolla. Body Malloy, 21, of 9082 Harness St., Spring Valley, was beaten and thrown into a ditch. Kent de Bore, 21, of 3220 Harris St., Lemon Grove, was beaten unconscious.

Police said the gang attacked Malloy first, after he warned invaders that his fraternity group did not want any trouble. The gang then assaulted the others, apparently without any reason.

Frivolity, Fun On Tap in Grove For 'Big Night'

Supervisor Dave Bird To Cut Ribbon Across New Imperial Avenue

A week of intensified membership drive activity by the Lemon Grove Chamber of Commerce, culminating in a night of fun and frivolity is on tap for this community next week. Fun night is September 18 and is complete with street dancing, band concerts and free lemonade.

Bill Parker, chamber of commerce president, said the need to increase the chamber from 180 members to 300 is the reason for setting up Chamber of Commerce Week. Most chamber members have signed cards pledging two half-days of soliciting new members.

The Week starts September 14 and will wind up September 19. During the week chamber members and directors will circulate among the town's business and professional people to sign them up for chamber membership.

High spot in the festivities will come Friday at 6:30 p.m. when Supervisor David Bird will cut a ribbon across Imperial Avenue, officially opening the newly widened thoroughfare. Imperial, between Broadway and Lester, will be roped off for the festivities.

Assisting Supervisor Bird will be Miss Lemon Grove, pretty Marilyn Sima. She will be riding a convertible auto flanked by horses with full trappings. The horses will be ridden by Lemon Grove's leading horsemen, Bob Howell and Frank Bettencourt.

An Indian dance will get under way at 6:30 as the ribbon falls to the newly dedicated street. Chief Black Hawk and his tribe of braves and squaws will perform authentic Indian dances to tom-tom music.

The Mt. Miguel High School Pep Band and the Cape Corps will perform starting at 7 p.m. for a half-hour. Then the combined fire departments of Lemon Grove and Spring Valley will put on a safety display designed to show the efficiency and capability of the two groups.

A street dance starts at 8 p.m. Al Sodos and his 13-piece Fiesta Del Pacifico orchestra will supply music for four horus during which modern music will be alternated with square dance tunes. Stan Bryan will call the squares.

George McCarthy, manager of the band, said members of the group have starred with the Benny Goodman, Tommy Dorsey, Guy Lombardo and Harry James organizations.

Four singers, winners of the Fiesta del Pacifico talent quest, also will take part in the affair.

Agreement Reached On Broadway Plan in L.G.

The Lemon Grove Chamber of Commerce has managed to get Broadway property owners to agree upon a street improvement plan . . . an agreement that individuals and small groups have been trying unsuccessfully to reach for five years.

Twenty owners and lessees met in the conference room of the Southland Savings bank Friday morning under the auspices of the chamber and two hours later they had agreed on a single plan.

The plan, according to Chamber President Bill Parker, is for a four-lane improvement from Kempf Street to College with one lane of parallel parking on each side of the street. The improvement would be 62 feet wide between curbs. A painted double-line was approved, instead of left-turn center islands.

Also agreed upon was a traffic signal schedule. The group asks signals at Grove, Olive, Buena Vista and Harris streets. 25 miles per hour speed limit through the business district was also approved.

The Broadway improvement plan was later ratified by the board of directors of the chamber of commerce and was approved by the Lemon Grove Men's Club.

The plan was presented Tuesday to the county board of supervisors by Parker and the proposal was taken under advisement by the supervisors.

The county road department has advocated an improvement for Broadway on the basis of acquiring a 100 foot right-of-way

$100,000 Libel Suit Against Newspaper Dismissed by Judge

A libel lawsuit for $100,000 brought against the SPRING VALLEY BULLETIN, and Max Goodwin, publisher of the SPRING VALLEY BULLETIN and the LEMON GROVE REVIEW, by Beuhlah and David E. Woods, operators of the Spring Valley Sanatarium and Rest Home, 9009 Campo Road, Spring Valley, was dismissed Thursday by Judge Bonsall Noon in the San Diego Superior Court.

The complaint cited a news story published in the SPRING VALLEY BULLETIN May 7, 1958, relating to a suit filed against the operators of the Spring Valley Sanatarium and Rest Home by a down-hill neighbor, Mrs. Ritchie Calhoun of 3974 Spring Drive, Spring Valley.

Mrs. Calhoun, charging that sewage from the sanatarium overflowed to her property, subsequently was awarded $1,662.65 as damages by the court as a result of her complaint.

Attorney V. J. Dorman of Lemon Grove and San Diego, representing the newspaper and Goodwin, filed a demurrer citing the statute of limitations. State law requires that libel action be brought within a year. The action was filed July 13, 1959.

Dorman's demurrer was sustained without leave to amend.

This completed the action in the case.

In all, five defendants were named in the suit. Each of them was awarded $100 attorney's fees plus court costs.

Attorney for the plaintiffs was F. W. Powell of La Mesa.

L.G. Taxpayers To Meet Monday

The Lemon Grove Taxpayers Association will hold its regular monthly meeting Monday in the Lemon Grove Junior High School auditorium.

Meeting will start at 7 p.m. Vice president Amos Clay will preside. The speaker has not been announced.

Burglar Hits Cafe For $10,000 In Checks, Cash

Labor Day weekend receipts of $10,000 were stolen from a safe in Michael's Cafe in Lemon Grove early Tuesday morning.

Sheriff's Sgt. Robert Ryan said that about $1,000 of the loot was in checks and about $9,000 in cash.

Eugene Palozzi, manager of the cafe, reportedly told Ryan that he had locked the safe before he left about 3 a.m. A kitchen worker found the back door of the cafe open when he arrived at 7:30 a.m. Tuesday.

Palozzi said that he arrived about 9 a.m. and opened the safe, only to find it empty. Police said there was no sign of forcible entry to the building and no sign of any force having been used to open the safe.

"The only thing we can figure," Ryan said, "is that someone who knew the combination slipped in and opened the safe."

Ryan said that only the owner, manager and a former manager of the cafe are known to have known the combination, "but somebody else could have learned it by watching when the safe was opened."

Boosters See Success In Lighting Project

Success loomed this week in the Mt. Miguel Boosters fight to get lights for the school's athletic field.

Mrs. Philip Titmas, president of the Boosters, said that "within a few days" the poles for the lights will be in place.

"Crowds" of parents and high school students have been working for several days, getting the field ready for the lights, she said. Holes have been dug, electrical conduit is being laid, and more than 50 reflectors for the lights have been polished and painted in anticipation of installation.

The final touch in the near-success of the project, Mrs. Titmas said, came when Richard Becker, general manager of the California Electric Works, offered the facilities of his company. Becker, Mrs. Titmas said, worked out an arrangement with Harold Hughes, associate superintendent of the Grossmont High School District.

Under the agreement, Becker is supply ing equipment for hole digging and trenching. The Boosters will pay $8,000 — partly from funds already collected and partly from receipts from concessions that the club will operate at all home football games this season. A percentage of the gate receipts also has been pledged by the school district, Mrs. Titmas said.

The DIMMER VIEW

by MAX GOODWIN

Twenty property owners and tenants along Broadway in Lemon Grove have finally agreed upon a common plan of improvement for the town's major thoroughfare.

Whether the plan is adopted by the county is up to the County Board of Supervisors but what we are concerned with in this pillar is the fact that agreement was reached among persons whose points of view were diametrically opposed for five years.

This gives us hope that other community problems may eventually be solved by a similar process.

One of these problems, an old theme of ours, is local governmental control.

Incorporation has been voted on twice, and twice defeated, in Lemon Grove. A study of the reason for rejection shows emotionalism, rather than logic, contributed to incorporation being turned down.

Since then, Del Mar has incorporated and the new city is thriving and its residents are happy. Forming a city neither ended pleasant living nor made living costs exorbitant.

This proves there is nothing insidious about incorporation.

The proposed city of Marbello, near Encinitas has reached the boundary-approval stage.

Now Homelands, an area between Casa de Oro and El Cajon with a population of 1,600 persons is proposing to incorporate. Nibbling away of boundaries by larger entities, and local control of zoning are the two reasons the proponents give as a reason for the move.

These are good reasons.

We wish the Homeland incorporation proponents well in their effort to bring what the consider the highest form of local local control to their community.

Del Mar, and now Homelands, if successful, will deny the argument offered by Lemon Grove incorporation opponents, that Lemon Grove is too small to incorporate.

The San Diego Arizona Eastern railway which runs through the center of Lemon Grove, has agreed to arbitrate the expiring auto parking lease which has been held for several years by the Lemon Grove Chamber of Commerce for $100 a year.

The chamber, properly, I thought, wanted a reduction in the new lease because half of the parking area had been eliminated when Imperial was widened and the railway received nearly of $100,000 from the people of San Diego County for a few feet of right-of-way.

The railroad's first position with the chamber of commerce was arbitrary; a situation reminiscent of the attitude of the early days swallow-tails-and-top-hat railroad tycoons whose high-handed tactics forged huge fortunes from the land they wangled from reluctant landowners or a sympathetic government.

When the parking space was reduced by half it seemed that a reduction in the $100 annual fees was in order, but the railroaders said "nay." $100 didn't even pay the taxes on the local property one official insisted, a matter which seemed irrelevant to me. He also announced that the railroad would use a tow car

High School Tax Rate Drops 29 Cents per $100

The tax rate in the Grossmont High School District will drop 29 cents per $100 valuation this year.

Harold G. Hughes, associate superintendent of the district, said that the new tax rate will be $1.62 or 29 cents lower than the $1.91 levy of last year.

"The reduction was greater than had been estimated previously by school district officials. The larger cut in taxes was due to increased state apportionments and an increase in assessed valuation above estimates made last spring," said Hughes.

Analysis of the tax levy showed an increase in current operation and classified retirement of 2 cents from $1.21 to $1.23 and an increase in certified retirement levy from 4 cents to 5 cents. Because the repayment on state loan had been completed in full, a decrease from 24 cents to none was effected. An additional drop of 8 cents occured in the levy needed for repayment of principal and interest on local bonds, or from 42 cents to 34 cents..

Hughes said that careful budgeting procedure was partly responsible for holding the current operation levy to a 2 cent increase.

The district spokesman pointed out that the 29 cent decrease in total levy exceeds the 16 cents decrease which was predicted during the $7,750,000 bond program approved by the voters last spring. "This rate of decrease cannot be continued in the future. The normal debt service for the building program will automatically increase to between 40 cents and 45 cents in succeeding fiscal years," said Superintendent Lewis F. Smith.

No Increased Service, Bus Official Reveals

Lemon Grove residents cannot expect increased bus service to downtown San Diego, a San Diego Transit Co. official told the Men's Club Friday.

Ed Reeder, superintendent of traffic for the company, explained the dim possibilities by saying that a survey in this area shows that out of all the traffic in the Lemon Grove area on any given day, 73 percent is headed for a destination within Lemon Grove, 20 percent is headed for the La Mesa area and only 7 percent is headed for San Diego.

He added that the "F" line which already serves Lemon Grove pays only 30 cents per mile against a cost of 44 cents a mile which it takes to operate it.

Reeder said that one factor in preventing expanded bus service is that there are only an average of 3,500 people per square mile in the San Diego metropolitan area — as opposed to 80,000 people per mile in congested eastern areas where mass transportation is both feasible and widely used.

He said that his company has developed a formula for assigning bus service, based on the fact that only 2 percent of the population in any given area rides the bus each day.

President Jesse Lee said speakers for the coming weeks include Jim Bear, the attorney who was recently stabbed by the husband of a divorce client; Sheridan Hegland, assemblyman for this district, and John Dail, former deputy state treasurer.

to pull away autos parked on their property on the west side of the tracks.

Later, through the intercession of Carl Eichenlaub, superintendent of the SDAE line, the railroad people agreed to arbitrate. But in the words of Bill Parker, chamber president, a token payment of $1 a year would be about right, what with the responsibility the chamber has in seeing that the area is kept safe and useable.

Be that as it may, the railroad's first position left much to be desired unless it be used as a reminder of those earlier days when the railroads demanded their way . . . or else. As a matter of fact, an idiomatic part of our language . . . railroad it through . . . which means to ram it down their throats, stems from the early days when railroad tycoons would broach no interference.

Anyhow, the railroad people invited the chamber of commerce to the arbitration table for a discussion of their mutual problem.

In that the chamber has formally rejected the railroad's demands, it will be interesting to see what value the railroad places on its community relations in Lemon Grove.

* * *

A few weeks ago when we took pictures of a disgracefully dirty-looking corner in Lemon Grove we didn't mean to upset as many people as we did.

The corner is at Olive and Broadway on the southwest side.

We referred to a concrete road-sign base as a hexagon. A dozen callers informed us it was an octagon. It has since been removed.

Then, B. Beene, district clerk for the county road department station on Waite Drive, corrected us by announcing that the public works department didn't remove the concrete base; it was his department.

Furthermore, he said emphatically, it is not an octogan, it is a frustum of an octagonal pyramid. Moreover, he said, the frustum of the octagonal pyramid was rolled to the corner at the request of the corner property owner who wanted it as a bulwark against cars driving onto the property belonging to the liquor store.

That, we anxiously suggest, is that!

Recreation District Boundaries Approved

SAN DIEGO (CNS) — The boundaries of a 4,000-acre recreation district for Lemon Grove and a portion of Spring Valley were approved Tuesday by the County Boundary Commission.

Rudolf Benitez, acting engineer for the boundary commission, said that the district is being formed just for the purpose of providing recreation facilities.

The boundary commission also approved the boundaries of two annexations in the Spring Valley area. It gave its okay to the annexation of five and three-quarter acres in the Zellmer annexation to the Spring Valley Sanitation District and 30 acres in the Corken Corporation Property annexation to the Spring Valley Local Fire District.

Annexation of the Corken area to the Spring Valley Sanitation District and the La Presa County Water District was also asked, but Benitez said the area already is in those districts and annexation is not needed.

Supervisors Say New Street Plan May Be Approved

(Continued)

"We don't want another freeway taking people down there," he said. "We've got one shooting them there now."

Twenty people, were at the chamber's Friday meeting, Parker said. He declared there was agreement on making Broadway 62 feet wide. The speed limit should be set at 25 miles per hour, he said, and traffic signals should be erected at the following streets: Grove, Olive, Buena Vista and Harris.

Supervisor Bird pointed out that no provisions were being asked for sidewalks of any great width, and Parker said that in the part of Broadway under consideration greater width would mean chopping the fronts off buildings.

"This is a basic plan for all the area," Parker declared. "There can be eight-foot sidewalks in the rest of the area." He also pointed out that a 1911 improvement district project could be started by those who wanted to establish parking areas. He said such proceedings were under consideration.

The question of how to improve Broadway for all its length, within the Lemon Grove community, has split opinion in the area and has caused division of plans in the county road department.

Agreement on an over-all plan, Supervisors indicated Tuesday, might mean improving the street as a whole, instead of dividing it. Rights of way have been difficult to obtain, but there were indications Tuesday that property owners might be willing to donate land to get the street improved on a basis acceptable to most.

"We're taling about only nine feet more than what you now have," said Parker. "I can't say what property owners will do. But they are enthusiastic about the plan proposed to you. And I can assure you that the chamber will work on getting rights of way as a project."

Supervisor Bird said the money available in the county budget might be enough to do the two parts of Broadway together, but he said it would be influenced by the rights of way.

"I make a motion that we send this to the road department for an estimate of cost," Bird said. Then he turned to the crowd of Lemon Grove property owners in the audience. "And when the right of way man comes to see you," he added, "I hope you will receive him with open arms."

and installing four traffic lanes, parallel parking on both sides of curbs 84 feet apart, and an 18 foot center island along the entire route. One exception would have been the area between Imperial and Kempf Streets where several attempts have been made to get owners to agree to a boulevard-like improvement, 150 feet wide, without center islands.

The chamber directors also were hosts to new teachers of Mt. Miguel High School Thursday. The meeting was held at El es made by President Parker, Morocco with welcoming speech-Chamber Manager Jesse Lee, and Mt. Miguel Principal Mel Grant.

In all, 20 teachers attended the luncheon.

Fiesta del Pacifico is making next week Lemon Grove Week at the Fiesta in the interest of getting local people to attend with their townspeople.

Free lemonade will be served in Lemon Grove all day Friday. This delicacy will be provided by the Lemon Grove Jaycees, who are dedicated to the use of none other than the lemons raised locally to provide the main ingredient.

During Lemon Grove Week at Fiesta del Pacifico, Johnny Green's "Stars Over the Pacific" will be staged at Westgate Park on September 14 and 15. The park will be dark September 16 and 17. Arthur Fiedler, Boston Boston Pops Concert director, will be featured September 18 and Ricky Nelson, teevee favorite, will have top billing September 19.

Dwight D. Eisenhower, President, speaking of his proposals pertaining to interest ceilings on savings bonds and Treasury bonds, and the national debt:

"Enactment of the legislation is essential to sound conduct of the Government's financial affairs."

☆ According to the San Diego County Traffic Safety Council, accidents are the leading cause of death to school-age children.

Scout News

The new Girl Scout camp at the north end of Balboa Park is well under way, according to a report from G.S. headquarters. It was reported that the project should be completed by the first of 1960. At present the construction of two of the buildings may be seen. The cost of the project has soared since first planned. So far the engineering, soil compaction, fencing and sewer lines have come to about $77,000.

The camp when completed will provide space for 120 girls in addition to the building use. Girls have had to be turned away from the present campground on weekends because space was already taken. In a few months almost every girl wanting to camp may be assured space, at least on a second-choice time.

The buildings must be furnished when completed, and it was reported one G.S. troop donated $80 they had earned before school ended in the spring. The money went toward providing dishes and table settings for the first building. A Convair club donated $2,000 for landscaping. Other things outdoors will be needed, four flagpoles, various trees to be planted and ivy to stop erosion.

—o—

Mrs. Fern Faulkner, who has spent 22 years in the San Diego Girl Scout movement, 17 of these on the staff at G.S. headquarters, has retired to spend more time with her husband and granddaughter. The Girl Scouts and leaders are all wishing her a great deal of happiness in her "new life."

—o—

Thirty-nine boys and eight adults of Boy Scout Troop 311 enjoyed a week campout recently in the Barton Flats area of the San Bernardino mountains. Highlights of the campout were the construction of a large monkey bridge, and a hike of the whole troop to the top of the San Gorgonio Peak. Scoutmaster Ray Bullock gave the camping proficiency award to the Woodsman Patrol whose patrol leader was Clyde McMorrow.

Scout Troop 108, Lemon Grove will attend a campout at La Costa Downs near Encinitas this weekend. Senior Patrol Leader Richard Ridenour has made all the needed assignments for the weekend. Scoutmaster Cliff Gomes is entirely behind the plan. This time instead of the boys doing all the work, they will cook and the men will do the KP work.

The Greenbar met on August 20 at Gomes' home. There the schedule for the campout was lined up. The troop will leave the Church on Friday evening, and will return about noon on Sunday. On that campout it will contain swimming, fun, cheerfulness, campfires, and regularly scheduled church services.

The campout was originally set up as an honor to the Scouts who had the highest number of points from the point system.

Because of the need for more space in the Spring Valley and Bancroft Elementary Schools for students, Cub Pack 47 of Spring Valley is moving its meeting place to the Spring Valley Junior High School. Meetings will be the third Friday of each month, says Mrs. Hank Bauer, interim publicity chairman.

Plans are under way by the pack for a family-type potluck picnic, to be held at Goodland Acres, Troy Street, Sunday.

Pack 47 has two new Den Mothers: Mrs. Jim Godley, taking over Den 3; and Mrs. Julie Merrill, taking over Den 8. Mrs. Merrill's son will join the Cubs in October.

James Godley of 9265 Carthay Circle, Spring Valley, who has been active in the Scout movement for several months, has been elected Scoutmaster of Spring Valley's Boy Scout Troop 47. Other committeemen elected were: Rolan Taylor, institutional representative; Frank Hale, committee chairman; Donley Ross, assistant committee chairman; Louis Loveland, treasurer; Louis Muzzy (outgoing SM), awards chairman; Howard Skinner, board of review chairman; Dean Watkins, Roundtable representative; Leo Horak, Howard Takahashi and Jerome Nierengarten, assistant Scoutmasters; Lawrence Baker, Explorer advisor; Mrs. Frank Hale, secretary; Mrs. Glenn Lindeneau, publicity; Mrs. Robert Pedigo, transportation; Mr. and Mrs. (Jerry and Hope) Masse, social.

The troop is planning a turkey dinner, which will be open to the public, September 19 at the Friends Community Church, Bancroft and Kenwood Drives. Serving will be from 5:30 to 8:30 p.m. Admission will be $1.50 for adults and 75 cents for children. Tickets for the dinner may be purchased from Boy Scouts or leaders of Troop 47. Proceeds from the dinner will go toward expenses of re-chartering the troop.

Ten weeks of summer camping has been scheduled at Mataguay Scout Reservation and Camp Hual-Cu-Cuish for 1960, according to a recent report from Boy Scout Headquarters in San Diego.

Russell Kliegal, council camping and activities chairman, has reported that the plan has been approved by the council executive board and that the dates have been set.

The 1960 dates for the two camps and for King Creek Ranch are:

Mataguay Scout Reservation, June 19 through August 27;

Camp Hual-Cu-Cuish, June 19 through August 27;

King Creek Ranch, June 19 through July 30.

Troop reservations for the 1960 summer camping season at the three camps are now being taken at Scout headquarters. The $15 reservation fee plan, which proved to be popular and successful during the past season, will be used again in 1960, Chairman Kliegal said. Troops are urged to start planning now for their summer highlight of 1960 and to make camp reservations early to insure wanted dates and sites.

St. John's Episcopal Church Carnival Ready

St. John's Episcopal Church and Day School will hold its second annual carnival this Friday and Saturday, on the church grounds at 760 First Avenue at K Street in Chula Vista. The carnival will run from 6 until 10 p.m. Friday and from 3 until 10 p.m. on Saturday. The public is invited.

An addition this year will be dinners served in the parish hall dining room. Both adult and children's plates will be available. The carnival will feature rides, games, prizes, entertainment and babysitting.

Two of the rides will give youngsters a chance to be old fashioned or modern — a covered wagon pulled by matching Shetland ponies, and gasoline powered midget racers.

A puppet show, Dick Wittington And His Cat, will be alternated with a cartoon movie.

The "midway" will have all types of games of skill including some scaled down and made easier for the little ones. The Women of St. John's will operate a booth at which home made cakes, pies, cookies and casserole dishes will be sold.

Another booth expected to attract much attention is the "Parcel Post." Gift items were asked as donations from out of town friends to be sold at the carnival. This year packages were received from all over the United States as well as Hawaii and Switzerland. The unopened packages are sold according to a value marked on the outside.

Square Dance News . . .

COUNTRY COUSINS

The Country Cousins Square Dance Club is sponsoring beginners' class which starts Monday, Sept. 14, at La Mesa Junior High School. Instruction is from 8 to 10 p.m. Class is open for three weeks. Ray Columbe is instructor.

Country Cousins are being hosted by the Lariats Friday, Sept. 11.

Don't forget our third anniversary dance Sept. 12. Prizes and more prizes and lots of refreshments will be in store for this evening of fun at the La Mesa Junior High School.

CEREBRAL PALSY

A square dance for the benefit of cerebral palsey will be given by the Elk Promenaders, a square dance club sponsored by the Elk Lodge of El Cajon. It will be held Friday, Sept. 18 at the El Cajon Armory, 451 N. Pierce St. All proceeds will be donated to the California Elk's major project of cerebral palsey which furnishes station wagons and nurses to go into the homes of patients and help with their care and rehabilitation.

JUNIORS

A new beginners' class for youngsters will start next Thurs Junior Levis and Laces square dance club.

Some 300 children attend preteen and teenager dances each Thursday night at the Lemon Grove Women's Club. Mrs. Juan Frank is caller and instructor of the group.

LEVIS AND LACES

A summer of many extra club activities was climaxed recently with a campout at Mt. Laguna. Members of the Paradise Eight Club joined us for dancing, and callers Bill Keller, Eddie Gaut, Johnny Fisher and Bill Ott assisted Clarence Montgomery for an evening of dancing under the stars.

The following members recently were elected to serve on the board of directors for the next dent; Norma Thompson, vice president; Peggy Maddox, recording secretary; Betty Minor corresponding secretary; Curly Thomps on, treasurer; Lora Woodson, courtesy chairman; Andy Lizama and Roberta Flick, board members, and Roy Wentzel, Heartland representative.

Remaining to complete a year's term of office are Al Hill and John Vieth, board members, and Morrie Richardson, Heartland representative. Charlie Teter will serve as past president.

FRONTIER SQUARES

Frontier Squares have their next regular dance this next Saturday at Spring Valley Jun-

The members have been active in between dances visiting around town — and out of town, too. A trip to Rancho Ramona Oaks where their club emcee "Wild Bill" Keller called, was an invigorating outing with everyone "dancing out under the stars."

The following dance to be presented by Frontier Squares will be the "big event of the season," their 6th "Presidents Ball" scheduled for Saturday, Sept. 26, at National City Armory. This is to be a buffet-supper dance and to assure plenty of food and dancing room for everyone, admittance is to be limited.

Here's a memo to drivers: be especially watchful on Saturday for bike riders. That's the day most bike accidents occur, according to the San Diego County Traffic Safety Council.

WHAT'S DOING

Dick Rose, your Telephone Manager in La Mesa

As any mother knows, it's usually hard to keep kids away from the phone. They love to use it. And it's important they learn how to use it properly when they're young. That's why we put together "Adventures in Telezonia." It's a teaching kit, complete with puppet movie, shown above, that shows grade school students how best to use the telephone. We worked it out at the request of teachers and with their assistance. It teaches the right way to make calls, including those from public phones. And this training helps everybody get better telephone service. "Adventures in Telezonia" is available to schools just for the asking.

NEED A PROGRAM!

September heralds the return from vacation, the return to school and the reconvening of many clubs and associations. As a reminder to all program chairmen of these groups, we offer a fine selection of educational and informational films and lecture demonstrations.

All you have to do is give us a call here at the Business Office HOpkins 6-3201 and we'll take care of all the dedetails. And of course, there is no charge.

FAMILY FARE OR FIESTA FEAST?

It doesn't take a special occasion to serve as an excuse to feed the family or guests a well-cooked Rump Roast or a delicious Swiss Steak, two international favorites the world over! No, Super Shoppers enjoy year-round good eating every day, with well-trimmed Round Steak and the ever-popular ground meats. With this in mind, we turned our attention to the old Spanish menu, not only utilizing these economy items, but also freeing them of much preparation time, since almost every dish can be made in advance. So, Senores and Senoras, moms, dads, and teen-agers, pin a posy in your hair, or tie a bright cummerbund around the waist and get ready for a Fiesta Grande with one or all of these Old Spanish Dishes:

Sopa de Albondigas (Meat Ball Soup)
Carne En Rajas a la Espanola
(Steak Strips Spanish Style)
Assorted Tortillas, Enchiladas, Tamales or Tacos in Spanish Sauce
Chile Con Carne or Corizos Con Huevos
(Scrambled eggs with Sausages)
Frijoles Refritos (refried beans) or Garbanzos (chick-peas)
Guacamole (Mexican Avocado Salad)
Flan, Cocada or Budin Plantano
(Carmel, Coconut or Banana Pudding)

Time-saving and economical, all the items are "make-aheads." The soup can be done a day early and reheated; the tortillas can be filled and rolled, ready to heat at serving time; the all-important beans can be cooked several days early, if need be, and simply refried when you choose. If you're having too much Fiesta fun to do prolonged cooking, make good use of all the new ready-prepared items. Canned refried beans, ready to heat; Taco shells, all ready to fill; seasoned tomatoes for sauces; Corn-husk wrapped Tamales, ready to heat and eat; and both flour and corn Tortillas, ready-made. Don't pass by the delicatessen counter without picking up a plastic container of delicious Guacamole, or a roll of Chile Con Carne, typical Fiesta fun-foods and oh, so good!

God's Minute

"THANKS TO GOD"

We do not learn to appreciate our blessings until we begin to say thanks. Many a soul is sick and sour, because that person never learned to say thanks. Begin thanking God for all He gives you and you will crawl out of your little prison.

Once Over Lightly

by Don Wilson

Everyone admires a man of decision. You know, the man who looks at a situation, weighs all the factors and quickly makes up his mind as to what must be done.

Which reminds me of our household.

The other morning, I crawled out of bed and headed for the bathroom. As soon as my electric razor started buzzing, Paula shouted something at me.

"What?" I said, shutting off the razor.

"You want eggs or cereal for breakfast?" she said.

"Cereal," I said, and turned on the razor again.

A few minutes later, I sat down at the breakfast table. Paula set a plate in front of me. It contained bacon and eggs.

"I wanted cereal," I said.

"I wantedETAOINetaoinnNnN

"Eggs are better for you," she said.

As I started to dress to go to work, Paula said from inside the closet.

"What pants do you want?"

"The grey gabardines," I said.

A moment later, she handed me my tan flannels.

"I wanted the grey ones," I said.

The tan ones look better on you," she said.

I went home for lunch.

"Do you want a glass of milk?" Paula asked, as she set the lunch on the table.

"No," I said, "just a cup of coffee."

She set a glass of milk in front of me.

"It don't want any milk," I said.

"Drink it," she said; "you've been drinking too much coffee lately."

That afternoon, Paula phoned me at the office to ask me to bring home some groceries.

"Do you want meatloaf or pork chops?" she asked.

I voted for pork chops.

For dinner we had meatloaf.

And later, we were sitting around watching television.

"You want to see Restless Gun, The Millionaire or State Trooper?" she asked.

"I don't care," I said.

"Which one do you want to see?" Paula insisted.

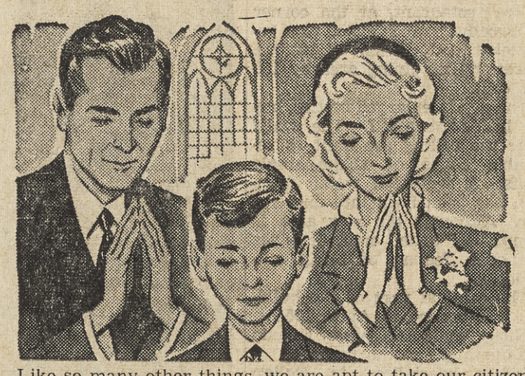
"I don't care!" I said.

"I wish you'd learn to make up your mind about things," Paula said. "You're too wishy washy. You've got to learn to make decisions."

"Restless Gun," I said.

"I don't like that one," Paula said. "Let's watch State Trooper."

LET US ALL PRAY TOGETHER AS A FAMILY



Like so many other things, we are apt to take our citizenship in this beautiful and blessed nation for granted. With privilege and opportunity come responsibility. As individuals we must assume our responsibilities of a personal life which guarantees honesty and integrity to all who deal with us and that of a citizen who will be willing to forego personal rights and privileges for the preservation of domestic practices built on Christian principles. Lido's To Have Italian Food 'Open House'

Lido's Restaurant, 7252 Broadway, Lemon Grove, will hold an "open house" celebration Wednesday, Thursday and Friday next week. The public is invited.

The restaurant, at the corner of Broadway and Vista, was remodeled to the extent of $20,000, increasing its dining area by 100 per cent.

The newly enlarged section has an inside-out motif. The walls near the ceiling are built to resemble eaves of shake-shingle roofs. A waterfall water fountain has been built into one corner. Although the new area is completely under roof, it gives the open feeling of being out-of-doors.

The original part of the building was opened in April, 1955.

Nicky and Antoinette Farella are operators of the firm.

Lido's specializes in Italian food and barbecued chicken and ribs. Draft and bottle beer, and domestice and imported wines are served.

Services Held For Youth Killed by Car

Funeral services for Richard Boone, nine year old son of Mr. and Mrs. Lynn H. Boone of 2666 Helix St., Spring Valley, were held in Paris Mortuary, El Cajon, Wednesday. Interment followed. He was a native San Diegan.

Young Boone was struck by a car in San Diego last Saturday and died in Grossmont Hospital. According to Deputy Coroner William T. Souza, the boy's father had parked his dump truck at the intersection of Fairmount Ave. and Dwight St. The boy left the truck and started running across the street and was struck by the car, driven by Gerald H. Fream, 45, of 303 47th Street. Fream was not cited.

What's Doing In the PTA?

The National Congress of Parents and Teachers has designated the week of Oct. 4 through 10 for a membership drive. Each school will be made aware of the facts through individual efforts presented by the chairmen with the beginning of the school year.

The meeting, appropriately enough, is called "Happy Days Are Here Again" and will be held at 7:30 p.m. in the junior high school auditorium.

Subsequent meetings will be held on second Thursdays, the routine being interupted for the first meeting only.

The San Altos PTA will have a family cookout on next Thursday on the school playground, according to Mrs. Calvin Lowrance, president.

"Let's Rocket To A New High," will be the theme for the annual membership drive for Lemon Grove Junior High School PTA in October. Mrs. B. D. Danielson, membership chairman, announced her theme at a recent meeting held in her home in Lemon Grove. Tentative plans were discussed for dances and prizes for the conclusion of the drive. Mrs. L. A. Dobis announced that the selecting of room mothers is nearly completed. Those attending the meeting included Robert Sutton, Mrs. L. A. Dobis, Mrs. I. L. Arms, Mrs. B. D. Danielson and Mrs. Bruce Kerns.

Mt. Helix Council PTA will have its Fall Workshop next Wednesday at the Wesleyan Methodist Church in Lemon Grove from 9 to 12 a.m., according to Mrs. Ray Bullock, program chairman. All officers and chairmen of the 18 units in the council have been invited to attend the work sessions for pertinent information and plans of action for the coming year. Mrs. Jack Erwin assisted by the hospitality chairman from Monterey Heights, San Altos and San Miguel PTAs will be hostess at a coffee break from 9 to 9:30 a.m. Individual sessions will follow and a general meeting presided over by Mrs. C. S. Williams will close the activities. Certificates of completion will be given to those persons fulfilling the requirements of the last Parent-Teacher information course offered by Mt. Helix and Foothills councils.

Mrs. Robert Higgins, Council parliamentarian, announced that a one-day course for presiding officers on agenda and first-meeting procedure will be held at the Lemon Grove Education Center this Friday under the supervision of Mrs. Don Irwin of Ninth District. This is the first of several meetings for those PTA officers and chairmen unable to attend the workshop, and units will be notified as to time and date of future meetings.

Principals of each of the schools represented on the Council will participate in the program planned for the first fall meeting of Foothills Secondary Council of PTA next Thursday morning in the Girls' Cottage, 8440 University, La Mesa. Each principal will lead a discussion group using the theme "A Bridge of Understanding — Your School."

Coffee will be served beginning at 9 a.m., at which time counseling will be available for unit chairmen. The regular meeting will begin at 9:30 a.m. Hostesses will be from Grossmont and Helix high schools and La Mesa Junior High School.

The executive board of Vista La Mesa PTA met in the patio at the home of Mr. and Mrs. Chester Laughlin, August 31st at 7 p.m. Plans for the coming year were discussed. Refreshments were served by Mrs. R. Christiansen and Mrs. H. W. Waples.

Next Wednesday at 6 p.m., members will gather at the school cafetorium for a pot luck dinner. A short business meeting will be conducted by the president, Mrs. A. C. Olson. Clarence Allen will deliver a short message and new teachers will be introduced. Mr. and Mrs. Jack Merit will render a musical selection and the award of the month will be presented.

A social hour to acquaint teachers, board members and room mothers was held Tuesday at the school cafetorium.

"Swing Away For PTA" will be the slogan for this year's membership campaign, announces Mrs. M. G. Koenkamp, membership chairman.
